Who is Bill Smith?

Phoenix – Two weeks ago, a person declaring himself **Bill Smith**, sent an email to an unknown number of politicians, lobbyists, and citizens across Arizona with a graphic, “KEEP THE WINNING TEAM VOTE WEIERS, JOHNSON, THRASHER PAID FOR BY BILL SMITH.” This weekend, campaign style signs started appearing in District 10 with a similar message.

“I have received several calls about this email and no one seems to know who BILL SMITH is, including me,” said Jackie Thrasher, a candidate for State House of Representatives in District 10, NW Phoenix/Glendale.

“The website, ‘bringjackieback.net’ is not authorized by the campaign,” said Chuck Foy, with Jackie Thrasher 2010. “We are doing all we can to let everyone know we have no knowledge of who is behind ‘bringjackieback.net,’ their motives for establishing the website, or sending the email.”

Anyone receiving the email from **Bill Smith** is encouraged to contact the campaign through chuck@jackiethrasher.com with questions or concerns.
